# 5822 FOAMING HEAVY DUTY CLEANER

5822 is a heavy-duty cleaner recommended for foam cleaning walls, floors, ceilings, equipment. For use in all food processors and equipment to clean metals safely and effectively. This formula contains caustic. Effective in bakeries, snack food plants, oil processors, supermarkets and meat, seafood, vegetable and poultry processors.

## **Application Rates**

Suggested application rate is as follows:

Dilute 1:10 to 1:30 and apply through foam generating equipment. Allow foam solution to dwell 5 to 15 minutes, agitate if needed and follow with a potable water rinse. For manual cleaning dilute with 20-40 parts water and apply solution with a brush, sponge, or mop. A potable water rinse is required for all food contact surfaces.

## **PRODUCT FEATURES**

- HIGHLY CONCENTRATED CAUSTIC FORMULA
- > SPECIALLY FORMULATED TO BREAK DOWN COMPLEX SOILS
- FREE RINSING LEAVES NO RESIDUE
- FOR USE ON STAINLESS STEEL EQUIPMENT
